Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (M/D/Y)	Effective Date (M/D/Y)
Faculty of Applied Science and Engineering	Institute for Studies in Transdisciplinary Engineering Education and Practice	Creation of an EDU:A	The Institute for Studies in Transdisciplinary Engineering Education and Practice will bring together faculty engaged in pedagogy in engineering education, programing and initiatives in this area. The Institute's mission will be to understand the practices of today's engineers so as to train graduate engineers who are better equipped to address tomorrow's societal challenges. This EDU: A will not offer its own academic program, but will work collaboratively with other FASE units offering academic programs.	05/17/2018	07/01/2018
Faculty of Applied Science and Engineering	Department of Civil Engineering	Department name change	The name of the Department of Civil Engineering has been changed to the Department of Civil and Mineral Engineering. The name change will better reflect that the department offers both Civil Engineering and Mineral Engineering undergraduate programs and that there are students and faculty who work in those areas. The new name will also mirror existing department naming conventions in the Faculty	03/27/2019	03/27/2019

Faculty of Arts and Science	School of Cities	Creation of an EDU:C	The School of Cities is an interdivisional entity with participation from the Faculty of Applied Science and Engineering, John H. Daniels Faculty of Architecture, Landscape, and Design, Joseph L. Rotman School of Management, University of Toronto Mississauga and University of Toronto Scarborough. The School works across institutional and disciplinary boundaries to coordinate, aggregate and amplify the University's expertise in urban research, education and external partnerships. It will serve as a key institutional vehicle for addressing one of the University's top strategic priorities: to take better advantage of our location in one of the world's most vibrant, culturally diverse and economically dynamic regions, with the aim of benefitting both the University and city region of which it is a part.	03/21/2018	07/01/2018
Faculty of Arts and Science	Munk School of Global Affairs; School of Public Policy	The Amalgamation of the Munk School of Global Affairs and the School of Public Policy and Governance, and the naming of the amalgamated entity	The Munk School of Global Affairs (EDU:A) and the School of Public Policy and Governance (EDU:B) have been amalgamated as an EDU:A, named the Munk School of Global Affairs and Public Policy. Through the proposal, the School of Public Policy and Governance was disestablished and its programs, faculty, staff and constituent EDUs are moved to the Munk School, which expanded its remit.	04/05/2018	07/01/2018
Joseph L. Rotman School of Management	India Innovation Institute	Change ownership of the EDU:D	Records were updated to reflect that Joseph L. Rotman School of Management, not the Faculty of Arts and Science, provides administrative oversight of this unit.	06/07/2018	06/07/2018
