

## Report on Unit Change 2018-19

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (M/D/Y)	Effective Date (M/D/Y)
Faculty of Applied Science and Engineering	Centre for Analytics and Artificial Intelligence Engineering	Creation of an EDU:C	The EDU:C will drive collaborative research between technical A/AI experts and those with domain-specific knowledge across the Faculty. It will also act as a central resource for up-to-date information on FASE programs and courses that cover A/AI. Partnerships with industry and government will be the foundation for long-term financial sustainability. Through its industry relationships, the Centre will cultivate new experiential learning opportunities for students, including internships, professional experience year co-op placements, capstone projects and MEng projects.	4/11/2019	7/1/2019
Faculty of Arts and Science	CANSSI Ontario at UofT	Creation of an EDU:C	The EDU:C will be a multidisciplinary, multi-departmental unit administered by the Department of Statistical Sciences to further strengthen the University's activities in statistical and data science. The EDU:C will also serve as the Regional Centre for Ontario of the Canadian Statistical Sciences Institute (CANSSI). The name of the EDU:C, <i>CANSSI Ontario at UofT</i> , is a contraction for the Canadian Statistical Sciences Institute Ontario at the University of Toronto.	4/17/2019	7/1/2019
Faculty of Arts and Science	Institute for Optical Sciences	Closure of an EDU:C	The Institute for Optical Sciences has been approved to close.	4/17/2019	4/17/2019
Faculty of Arts and Science	Department of the History of Art; tri-campus Graduate Department of Art	Academic unit name change	The name of the Faculty of Arts and Science's <i>Department of the History of Art</i> has been changed to the <i>Department of Art History</i> , and the tri-campus <i>Graduate Department of Art</i> has been changed to the <i>Graduate Department of Art History</i> .	3/26/2019	7/1/2019

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (M/D/Y)	Effective Date (M/D/Y)
Faculty of Kinesiology and Physical Education	Mental Health & Physical Activity Research Centre	Creation of an EDU:D	<i>Mental Health &amp; Physical Activity Research Centre</i> is a unique research facility integrating the study of physical activity and mental health. The researchers involved with MPARC are dedicated to developing and evaluating interventions to promote physical activity and mental health among people at risk of inactivity and mental health problems. Examples of populations the EDU:D works with include: mental health service users, cancer survivors, youth sport participants and people with spinal cord injuries.	4/5/2019	5/1/2019
Faculty of Forestry John H. Daniels Faculty of Architecture, Landscape, and Design	Faculty of Forestry Centre for Biocomposites and Biomaterials Processing (EDU:D) John H. Daniels Faculty of Architecture, Landscape, and Design	Academic Restructuring of the Faculty of Forestry	The Academic Restructuring of the Faculty of Forestry in accordance with the <i>Policy and Procedures for Faculty and Librarians on Academic Restructuring</i> has been approved. Forestry faculty budgetary appointments and Forestry programs have been transferred to the John H. Daniels Faculty of Architecture, Landscape, and Design (Daniels). The forestry graduate unit and the existing architecture, landscape, and design graduate unit continue to exist, with the Dean of Daniels as graduate Chair of both graduate units. The Centre for Biocomposites and Biomaterials Processing, an EDU:D in the former Faculty of Forestry, has been transferred to Daniels.	6/10/2019	7/1/2019
John H. Daniels Faculty of Architecture, Landscape, and Design	Cities Centre	Closure of an EDU:C	The <i>Cities Centre</i> has been approved to close.	12/5/2018	12/5/2018
Ontario Institute for Studies in Education	Centre for Women Studies in Education	Closure of an EDU:C	The <i>Centre for Women Studies in Education</i> has been approved to close.	2/13/2019	5/1/2019

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (M/D/Y)	Effective Date (M/D/Y)
University of Toronto Mississauga	Centre for Child Development, Mental Health, and Policy	Creation of an EDU:C	The <i>Centre for Child Development, Mental Health, and Policy</i> will be a multi-disciplinary centre that fosters cutting-edge research in the area of child development and mental health, focusing on biological and environmental determinants in two sensitive periods from a comparative perspective. Faculty participants will initially be drawn from the UTM Departments of Psychology, Biology, Anthropology, Sociology, Philosophy, Language Studies, and Management as well as from OISE and the Faculties of Medicine and Social Work.	6/10/2019	7/1/2019
University of Toronto Mississauga	Centre for Medicinal Chemistry	Creation of an EDU:C	The CMC will be a multi-disciplinary research consortium that will advance the methodology and practical application of medicinal chemistry while offering world-class research training that will position UTM as the prime destination in Canada and a significant global competitor for students interested in pursuing a career in the pharmaceutical industry. Research will be conducted in close collaboration with clinicians and medical practitioners, allowing for more rapid advancement and translation of new and revolutionary molecular therapeutics to advanced preclinical trials and commercialization, ultimately leading to improved patient outcomes. Faculty membership will come from the Departments of Chemical and Physical Sciences and Biology. It further anticipates association from faculty with primary appointments on other campuses, including the Department of Chemistry and the Faculty of Pharmacy at UTSG.	6/10/2019	7/1/2019
University of Toronto Scarborough	Centre for Public Management	Closure of an EDU:C	The Centre for Public Management has been approved to close.	10/2/2018	1/1/2019
