

Report on Unit Change 2022-23

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (MM/DD/YYYY)	Effective Date (MM/DD/YYYY)
Dalla Lana School of Public Health	North American Centre for Integrated Care	Creation of an EDU:D	The new EDU:D will support the advancement of knowledge and adoption of integrated care practice throughout the region using principles of co-design and allow for collaborative learning between academics, researchers, managers, clinicians, policy makers and users of services.	12/15/2022	12/15/2022
Dalla Lana School of Public Health	Centre for Occupational Disease Prevention	Creation of an EDU:C	The vision of the Centre for Occupational Disease Prevention is to advance the prevention of occupational disease by improving our understanding of workplace exposures and their relationship with disease, and by informing prevention programs and policies that make the workplace environment healthier for all workers. The Centre's mission is to activate and strengthen cross-disciplinary and cross-university department collaborations for greater influence and impact at the individual worker, population health and policy levels.	6/15/2023	9/1/2023

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (MM/DD/YYYY)	Effective Date (MM/DD/YYYY)
Faculty of Arts and Science	African Studies Centre	Creation of an EDU:B	The creation of the African Studies Centre allows for expanded research and education opportunities across the academic area of African Studies. As an EDU:B, the new unit will offer the existing undergraduate degree programs in African Studies, hold minority budgetary tenure and teaching stream appointments and administer research funds under some circumstances. It will forge the development of an intellectual hub around which a critical mass of faculty with shared commitments to African Studies as an area of interdisciplinary focus for research, teaching, learning and community engagement can coalesce.	6/27/2023	7/1/2023
Faculty of Information	McLuhan Centre for Culture and Technology	Name Change of an EDU:C	The McLuhan Centre for Culture and Technology has been renamed the Centre for Culture and Technology.	1/9/2023	1/9/2023

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (MM/DD/YYYY)	Effective Date (MM/DD/YYYY)
Temerty Faculty of Medicine	Centre for Interprofessional Education	Name Change of an EDU:C	The name of the Centre for Interprofessional Education has changed to Centre for Advancing Collaborative Healthcare & Education (CACHE). This change is more inclusive of individuals and groups who contribute to healthcare and who may not see themselves represented by the "interprofessional"; it more accurately represents the Centre's work and impacts beyond formal education, including professional development, practice innovation, system and policy.	4/25/2022	4/25/2022
University of Toronto Mississauga (UTM)	Centre for South Asian Civilizations	Name Change of an EDU:C	The Centre for South Asian Civilizations has been renamed Centre for South Asian Critical Humanities to more accurately reflect the variety of intellectual approaches covered within the EDU:C and its focus on humanism, critical practice and the study of South Asian communities.	9/12/2022	10/1/2022
University of Toronto Mississauga (UTM)	Canadian Drosophila Microarray Centre	Closure of an EDU:D	The Canadian Drosophila Microarray Centre ceased operations in 2015 as the technology it supported was no longer in use by the scientific community. The Centre's space has been repurposed for the Biology Core Cell and Molecular Facility.	10/1/2022	10/1/2022

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (MM/DD/YYYY)	Effective Date (MM/DD/YYYY)
University of Toronto Scarborough (UTSC)	Institutes for Resilient and Inclusive Societies and Ecosystems	Creation of an EDU:C	Institutes for Resilient and Inclusive Societies and Ecosystems (iRISE) is a network of research institutes whose shared vision is to establish the University of Toronto as a leading global centre of scholarship in pursuit of goals of sustainable, resilient, inclusive and equitable futures. Its shared mission is to support the pursuit of convergence research to solve complex problems and catalyze transformative change by facilitating research discoveries, enabling innovators to move discoveries into action, inspiring communities and building their capacity to act and training future leaders. The inaugural iRISE institutes are the Institute for Environment, Conservation, and Sustainability; the Institute for Inclusive Health and Well-Being; and the Institute for Inclusive Economies and Sustainable Livelihoods, as well as the institutional strategic initiative named SDGs@UofT.	6/27/2023	1/7/2023

Faculty	Unit	Type of Modification	Brief Description of Modification	Date of Institutional Approval (MM/DD/YYYY)	Effective Date (MM/DD/YYYY)
University of Toronto Scarborough (UTSC)	Centre for Research in Earth System Science	Creation of an EDU:D	The EDU:D will showcase cutting edge research activity investigating the natural evolution of the Earth and solar system. The fields of interest featured in the Centre’s activity will include Cryospheric Dynamics, Sedimentology, Petrology, Structural Geology, Geodynamics, Geochemistry, Atmospheric Physics and Planetary Physics. A specific aim will be to promote an understanding of Earth and Atmospheric Science and to provide clarity in distinguishing between human influence and natural cycles on the evolution of our planet.	12/11/2020	1/1/2021
University of Toronto Scarborough (UTSC)	SoundLife Scarborough	Creation of an EDU:D	SoundLife Scarborough spans across the Music and Culture program’s courses, research initiatives and student experiences. Through reciprocal relationships and research that foregrounds the experiences and concerns of neighbouring musicians and organizations, the EDU:D looks to maintain and co-create vibrant musical experiences that are mutually beneficial for both the Scarborough and UTSC communities.	6/24/2022	9/1/2022
