

Report on Closures 2012-13

Faculty	Program	Unit (if applicable)	Degree Designation	Type of Modification	Brief Description of Modification	Date of Ceased Admissions (MM/DD/YYYY)	Date of Complete Closure (MM/DD/YYYY)
Faculty of Arts and Science	Bachelor of Science in Mathematics and its Applications (Computer Science) – Specialist	Department of Mathematics	Honours B.Sc.	Closure of an undergraduate program	The decision to close this program is a product of the on-going curricular review in the Faculty of Arts and Science. The structure of the program is complex and the program has not been popular with students. The Department suggests that students would achieve the same academic results more easily by enrolling in the Specialist program in Computer Science and completing a major or minor in Mathematics.	06/01/2013	06/01/2016
Faculty of Arts and Science	Bachelor of Science in Mathematics and its Applications (Design Your Own) – Specialist	Department of Mathematics	Honours B.Sc.	Closure of an undergraduate program	The decision to close this program is a product of the on-going curricular review in the Faculty of Arts and Science. The Specialist has not been popular with students. The Department speculates that the program has appeared risky and difficult for students faced with the additional task of finding their direction.	06/01/2013	09/01/2014
